Senate Bill 5

Un-sunsets the sales tax

Provides funding from the
underground storage tank fee
assessed to fueling facilities

Un-sunsets the 1/8 cent sales tax:

Allows RTC to **bond** against
those revenues **now**

Put projects **out for bid**
immediately

Creates jobs

Removing the Sunset Provision:

Allows RTC to bond
\$169 million

Underground Storage Tank Fees:

Will generate approximately
\$4.5 million per year

A yellow Sakai steamroller is shown paving a road. The operator is wearing a red hood and a dark jacket. The machine has "SAKAI" and "25275" written on it. In the background, the Stratosphere tower and other city buildings are visible under a clear blue sky. A speech bubble above the operator says "Hooray!".

Hooray!
